DEVELOPED IN SWEDEN

IT'S ALL ABOUT
THE SMOOTHNESS!

Seating position optimized for both comfort and convenience, and a unique adjustable suspension right under the seat, let's you conquer any road in comfort.

40 KM RANGE

Vässla Bike closes the gap between the e-bike and the e-moped. The effortless and smooth riding experience is incomparable to anything on the market right now.

FULL CONTROL OF
YOUR RIDE!

We developed the battery ourselves with the best components we could find.

A market leading BMS matched with the best 21700 Cells available gives you 40 km range from only 2,4 kg and a lifetime of up to 2000 cycles.
